Got PDF headaches? Not anymore!

Say goodbye to your PDF headaches

Simpler, more affordable PDF software?

Save time AND money?

Body:

Hi *|FNAME|*,

Do you ever get files that you can't open? Or struggle with difficult to use PDF software that has way more features than you want or need? And how about those pricey monthly subscriptions to go along with those difficulties?

Well, we have some great news for you! And its name is [PDF Fusion](#).

How is PDF Fusion different? That's a great question, and we have a few equally good answers. PDF Fusion is:

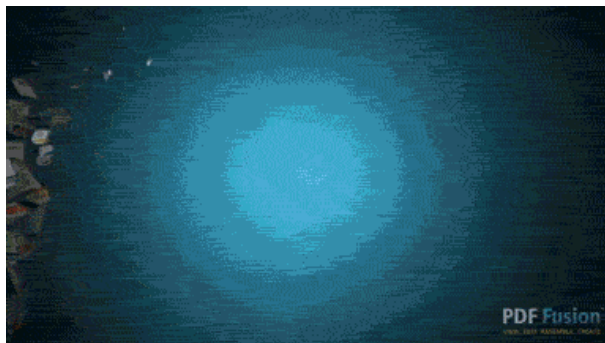

- Very easy to use
- Affordable, as in a low one-time payment
- Frustration-free (no tech headaches)

And best of all, PDF Fusion will help you save time *and* money!

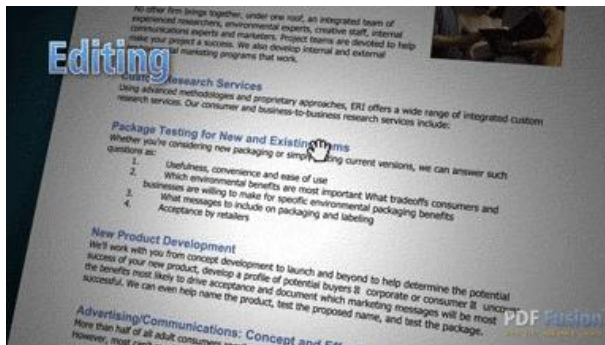

Imagine spending a fraction of the cost of our famous competitor's software. Now imagine not wasting any more time fumbling with difficult-to-use PDF programs.

If you're interested in saving money, time, and ridding yourself of the tech headaches, then you're going to love [PDF Fusion](#). (Did we mention that right now it's 50% off the regular price? That's right!)

With PDF Fusion, you can easily:

Open and view 100 different file types, even if you don't have the software that created them. You'll be able to open Word documents, Excel spreadsheets, PowerPoint presentations, and images. All easily and quickly.

Edit existing PDFs. Simply highlight the text you want to change, and type those changes into the box that opens up. With other PDF software, simple editing isn't simple at all. You can also rearrange content, crop images, and much more.

Combine multiple files into one PDF document. Our simple-to-use drag and drop editor will have you combining documents with the greatest of ease. No frustration required! Just beautiful documents that you can share with anyone.

Convert and create PDFs easily.

That's right! You can convert Word documents, Excel spreadsheets, and Powerpoint presentations to PDFs and with the original formatting intact. And you can create PDFs from any application that will print.

If you're sick and tired of tech headaches and monthly subscriptions that can add up to hundreds of dollars over time, you're going to love PDF Fusion. [Get it today!](#) While it's still 50% off the full price.
