

PDF Fusion Email #2

Subject Lines:

An opportunity you don't want to miss

Something I'd like to share with you

|FNAME|, what if I told you ...

Body:

Hi *|FNAME|*,

It's Jill from the WinZip team. If you're anything like me, you hate sitting in front of a sluggish computer, waiting for files to load.

I think I have a solution for you.

You may recall an email we sent recently about junk file buildup and how your computer gets more cluttered over time as a result.

Imagine how much more cluttered your computer has become just since that last email?

Now, imagine instantly uncluttering it in minutes with just a few clicks. For free.

If you're still not sure WinZip Disk Tools is right for you, check out our most commonly asked questions.

Q: What does WinZip Disk Tools actually do?

WinZip Disk Tools is a supreme multitasker. It can:

- Boost computer performance by organizing your files so your computer can locate them faster.
- Find more space on your computer by removing the junk files you no longer need.
- Monitor your computer's health to keep your computer in top shape.

Q: What if I'm not happy with WinZip Disk Tools?

Remember, this trial offer of WinZip Disk Tools is free. If you decide to purchase WinZip Disk Tools after the trial ends and you aren't absolutely thrilled, you can return it within 30 days for a full refund, no questions asked.

Q: How do I know I really need WinZip Disk Tools?

If you find yourself impatiently waiting for your computer to respond to your most basic requests, then WinZip Disk Tools may be right for you.

When you download the trial version, you can quickly scan your system and see exactly how you'll benefit.
